Reminders

Intent on achieving the very best of starts, may I mention one or two things that we value your support in achieving.

We trust that the children will arrive punctually each day and do please allow for the back to school traffic! Please park with due consideration to our neighbours at all times. The children should look smart, wearing the correct school uniform.

The children's safety is of paramount importance to us and so our protocols around supervision and arrival to the school really matter. No child should arrive before 8:30am. Children arriving before this will be directed to our supervised Breakfast Club provision in the Dining Hall, which carries a charge of £1.50 per day.

We also sincerely request that you avoid absence from school so that your children will benefit from the unbroken continuity of learning that excellent attendance enables. Requests for absence must be written to Mrs. Painter or myself for consideration and possible authorisation.

Thank you for your support.
